MR. LARRY I. WALDEN

Down through life's  
most precious days,  
You've been our  
friend, our guide;  
Your service and your  
loyalty  
Shall never be denied.

To you we give our  
memory book  
With gratitude and  
pride,  
For everything you've  
given us  
While we've worked  
side by side.

**dedication**

For your encouraging  
leadership  
In all we undertook,  
We proudly dedicate  
Our '56 yearbook.

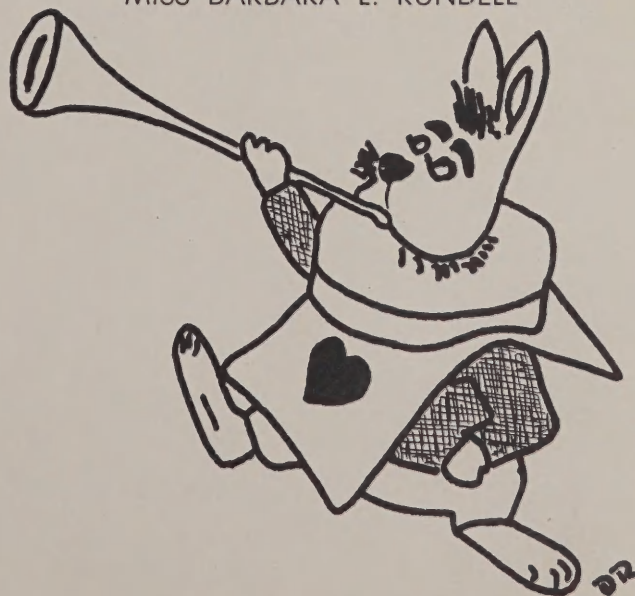

Oh devoted teacher,  
friend of all,  
You found the time  
for laughter,  
So thoughts of you  
shall find a place  
In our young lives  
hereafter.

MISS BARBARA L. RUNDELL

**dedication**

LARRY I. WALDEN, *Principal*

The '56 *Beanpicker* is a credit to any school. Without hesitation, the entire faculty of the Pompano Beach High School would say, "A job well done."

In parting I would like to leave you with this thought: "Never give up until you have released your unused capacities for service and shared your gifts with others. One enkindled spirit can set hundreds on fire."

Best of luck,  
Larry I. Walden

FANNIE F. CATLETT, *Dean of Girls*

Through her many services to the students of P.B.H.S., Mrs. Catlett, our Dean of Girls, has won our affection and trust. Mrs. Catlett supervises testing programs, student employment contacts, girls' discipline, care for illnesses, and tardies and absences. She is always willing to offer help to students who wish it.

Ever-popular Mr. Carlisle is always ready to offer his help during and after school. Students, especially those planning to attend college, find his advice and counseling in planning their schedules indispensable. Mr. Carlisle performs duties similar to Mrs. Catlett's, but for boys. He also registers and withdraws students.

The 1955 Golden Tornadoes launched their season with only three regulars reporting for duty. The youngest squad in Pompano history represented themselves well defeating three of their rival teams. They reached their peak against Clewiston, getting revenge by the tune of 19-7. The Tornadoes ended the season in impressive fashion defeating rival Central Catholic 7-6.

"Send me in, Coach!"

The main purpose of the Student Council is to create and maintain a better spirit of cooperation between the faculty and the students.

This past year the "Council" erected a five hundred dollar dance patio fully equipped with a juke box and records, published student handbooks, provided combination locks for all the students' lockers, initiated a "Twirp Season," issued Student Identification cards, sponsored the Inter-Club Council, and took charge of all Homecoming activities. In addition to these more important accomplishments, the Student Council undertook and successfully performed innumerable services for the school and community.

Membership into the Key Club is by invitation to outstanding boys in school who maintain good grades and meet set qualifications.

Throughout the year the Key Club members acted as leaders for the local Boy Scout troops. Representatives were sent to the State Key Club Convention where a Pompano Key Club member was sponsored for Lieutenant Governor. The Honor Society is noted for its impressive candlelight initiation ceremonies in assembly at the beginning of each semester.

The F.F.A. is built upon the foundation of leadership, character, improved agriculture, thrift, and patriotism.

P.B.H.S. boasts one of the three top F.F.A. chapters in the state. This year, as in past years, our Future Farmers have taken top honors in district and state competition in their scrapbook, public speaking contest, and cattle judging.

The school board appropriated \$7500 for the construction of a barn on the F.F.A.'s new 20-acre farm. The Broward-Palm Beach Tractor Co. donated a John Deere tractor to the club for their outstanding work during the year. The state awarded the chapter \$358.86 for "Improving Agriculture" and "Leadership." A new farm sprinkler system was bought with the money.

The F.F.A. journeyed to the State Fair in Tampa and the University of Florida to attend cattle judging clinics.

Besides the many social activities sponsored by the F.F.A., they run a very prosperous nursery at the school.

Twenty members of the Annual Staff met twice weekly to plan and compile a yearbook that would portray school life and school activities in Pompano Beach High School.

The staff sold over four hundred and fifty copies of the '56 Beanpicker.

The annual is a great invention,

Steady advancement in quality and quantity have marked the band program at P.B.H.S. The Senior Band, which is composed mostly of ninth through twelfth graders has had a very active year. Spectators were treated to colorful football half-time shows which included the themes "T-V Journey," "Latin American Capers," "Indians on the Musical Warpath," "All-time Popular Dances," and ended with a gala Thanksgiving Homecoming show featuring over one-hundred bandsmen.

The band lent its spirit and pep to a variety of rallies, assemblies, parades, and festivals, including the Fiesta Tropicale, Halloween Carnival, Bean and Pepper Jamboree, Pompano Bridge Dedication, and the Lauderdale-by-the-Sea Park Dedication.

## high school band

This also has been a wonderful year for concert activities. A series of five evening concerts were given to large, appreciative audiences. In the District contest, where the band met Class "B" competition, interest was high as twenty soloists, seven ensembles, and the concert and marching bands vied for honors which would take them to the big May competition in St. Petersburg.

At the end of the year the band enjoyed its biggest social event, the Third Annual Band Award Banquet at the Boca Raton Cabana Club.

The entire band program this year encompassed five bands with a total of over two-hundred students. The other bands are the Beginning Band, Deerfield Beach School Band, Intermediate Band, and the Junior Band. Young instrumentalists work their way up the ladder for two to four years, finally reaching the Senior Band in the ninth or tenth grade. The May Concert featured all of the band groups.

"Moonlight and Roses" was the theme carried out at Pompanoland's "Mad Tea Party" or the 1955 annual Junior-Senior Prom and Banquet. The setting was the Bahia Mar Yacht Basin Club on Ft. Lauderdale Beach. The top social event of the year was highlighted with the crowning of a King and Queen, Wesley Parrish and Sidney Goodrich, to reign over the festivities of the night which included a banquet, a dance, a splash party, a movie, and a breakfast. It was truly a memorable occasion; the excitement of preparations as well as the actual big night won't be forgotten for a long, long time.
